5) I met the Municipal Commissioner & the Municipal Engineer. A license has been issued by the Cable. There is no provision in the Act to cancel it.

6) As the place is in a crowded locality license will have to be refused by the D.M. under the Cinematograph Act. This will create complications after the building is constructed. So the D.M. will be requested to inspect the locality & give necessary warning to the party. The Municipal Comm. will be requested to send the reasons for giving necessary instructions to the D.M.

7) It is absolutely necessary to amend § 51(11)(g) of the City Municipalities Act & the Codes governing premises in the Town & Mofussil Municipalities Acts to avoid such complications as arose in future. Need for consideration.

Final Note by the Minister for Local Self-Government and Public Health

Subject —

The Mysore City Municipalities (Amendment) Bill,
The Mysore Town Municipalities (Amendment) Bill,
The Mysore Minor Municipalities (Amendment) Bill

Licenses for the construction of buildings intended for cinemas are, at present, granted by Municipalities, while licenses to run the cinemas in such buildings have to be obtained from the District Magistrate having jurisdiction Considerations of the locality where a cinema should be allowed to run and of the interests of the inhabitants of such localities which are usually taken into account in granting licenses to run cinemas are often lost sight of in granting permission to put up buildings It is therefore proposed to amend the Municipal Acts so that the prior consent of the District Magistrate is necessary before a license is granted for the erection of a building intended to be used for cinemas

2 Three draft bills amending the Mysore City Municipalities Act, 1933, the Mysore Town Municipalities Act, 1933, and the Mysore Minor Municipalities Act, 1933, have been prepared and it is proposed to proceed with these measures at the ensuing sessions of the Representative Assembly and the Legislative Council

The Dewan and the other Ministers agree to these proposals and I solicit the gracious approval of His Highness thereto.

been dissolved, or have been laid on the table under Rule 35 and which have not been passed, shall lapse

Taking the case of the Representative Assembly first, it may be mentioned that these Bills were introduced but not passed The expression "passed" has not been defined and where, as in this case, a majority has voted against the Bills, they must be deemed to have not been passed

Section 26 of the Government of Mysore Act which permits of a Bill being proceeded with in the Legislative Council even though a Bill is not ~~appeared~~ approved by a majority of less than 2/3 of the total number of members cannot be considered as affecting this interpretation of Rule 40

Coming to the Legislative Council, these Bills were introduced but not passed

In both cases, therefore, these Bills must be considered to have lapsed

The next question for consideration is whether a Bill once not approved by the Representative Assembly could again be placed before it It may be stated that there is no provision in the Act or in the Rules and Standing Orders on this question

Reference is however invited to Standing Order 23 of the Representative Assembly and Standing Order 23 of the Legislative Council Standing orders which state that a motion must not raise a question substantially identical with one on which the Assembly or Council has given a decision in the same session

In the present case, this standing order will not be offended if we decide to proceed with the Bills once

NOTE

In May 1944, a number of residents of Nagarthpet, led by Mr Dodda Veerappa petitioned to Government bringing to their notice, the construction of a Cinema Hall on Site No 1018, Old Taluk Kutchery Road, Bangalore City, by one Mr G Venkatappa and praying for the cancellation of the license for the same as it is likely to disturb the peace of the people of the locality Thereupon Government called for the submission of the papers relating to the grant of license from the Municipal Commissioner They also instructed the District Magistrate, Bangalore, to inspect the locality and give previous warning to the owner of the building to the effect that if after the construction of the building, it is proposed to be used for a Cinema Hall, license for the same may be refused later and called for a report in the matter The latter reported that the owner of the building did not seem to be impressed of the warning and thought that necessary license could be obtained for a Cinema after the construction was over The District Magistrate therefore proposed that the building license already granted may be cancelled

On an examination of the records and the provisions of law in the matter it was found that there is no provision under the City Municipalities Act to cancel a building license issued by the Municipal Engineer and that the license to start a Cinema in a particular building can be refused by the District Magistrate after the building is completed Action was thereupon taken to amend the Mysore City, Town and Minor Municipalities Acts, so as to provide for the cancellation of

the license to construct a building intended to be permanently used as a Cinema Hall, but later the question of amending the Acts was ordered to be dropped.

Respected Sir,

We, the inhabitants of Nagarthpet in Old Taluk Kutcherry Road and roundabouts, beg to bring the following matter for the kind consideration and orders of your goodself.

We learn with great anxiety that one Mr G Venkatappa, Cloth Merchant, Avenue Road, Bangalore City, who has recently become the owner of house No 1018, situate in Old Taluk Kutcherry Road, is trying to convert the said house into a public theatre and run a talkie house there The site is most illsuited for a place of public resort We are all living respectably in the locality and if a public talkie house is thrust in the middle of peaceful dwelling house, it is most annoying It is against the inclination of all of us to have a disturbing, noisy talkie house by the side of our houses

There are already a number of talkies in the very near surroundings and there it is not desirable from any point of view to add one more to the already overcrowded number Moreover the site and premises No 1018, Old Taluk Kutcherry Road which is sought to be made a theatre is too narrow and congested for a place of public resort It is fully surrounded by dwelling houses and it is against the interests of public health that place which a large number of public may have to frequently resort to should be situated in such a small place and in the midst of dwelling houses of respectable citizens

We had filed a petition to the Commissioner, City Municipality in this behalf and no action has been taken so far We find the arrangements for construction of the talkie house being proceeded with Therefore, we are approaching your goodself to interfere in the matter and direct that the license for the talkie house be witheld

For this act in public interests, we will ever remain grateful to your goodself Thanking you

We remain,
Yours obediently,

Sir,

On behalf of the inhabitants of Nagarthpet in Old Taluk Kutcherry Road and roundabouts, I beg to bring the following circumstances for your kind consideration and necessary orders

We learn with great anxiety that a license for construction of a Talkie theatre at premises No 1018, Old Taluk Kutcherry Road, is being issued to its owner Mr G Venkatappa, Cloth Merchant, Avenue Road, Bangalore City The premises No 1018, which is in the midst of our dwelling houses, has a very small area and is most illsuited for a talkie house The intrusion of a disturbing noisy talkie theatre into the privacy of respectable residential quarters and the fouling and congestion of atmosphere by the public resort are most annoying and against the interests of the inhabitants of the locality Further there being a number of talkies already existing in very near margin round the locality, adding one more is not at all desirable

In addition to the above circumstances the coming into existence of a talkie house at the premises No 1018, Old Taluk Kutcherry Road is antagonostic to the interests of two important public institutions The site selected and fixed for the location of a Maternity Hospital donated by public subscription

P T O

is within 30 yards of this proposed talkie house And right opposite to the premises is a student's hostel also by a big charity, the extent and object of which has in view the development of this students hostel into a big educational shelter and centre That the above two public benevolent institutions which require a calm and healthy surrounding atmosphere will be prejudiced by the intrusion of a talkie house of public resort by their side is obvious

Our protest against the grant of license disregarding the several interests as set forth above was lodged with the Municipality so long back as 19-2-1944 and certain information of particulars asked for by them were supplied later No intimation of final disposal has been received by us from the Municipality, but we learn that grant of the license for construction has already been granted

A letter addressed by me to Municipal Commissioner today, a copy of which is submitted herewith for your kind refere, gives you further informations in the matter . A petition signed by a large number of citizens of the neighbouring locality has also been sent to the Minister for Local Self Govt , in Mysore on the 29th ultimo

I pray that your goodself may be pleased to consider the above circumstances and pass orders revoking the license even if it is granted and also stay effect of license in the meanwhile

Thanking you,

Yours faithfully,

The Municipal Commissioner,
Bangalore City Municipality,
Bangalore

Dear Sir,

With reference to my personal interview with you yesterday in the matter of objections by myself and several other neighbouring regarding grant of license to construct a talkie house at No 1018, Old Taluk Kutcherry Road, Bangalore City, you were kind enough to assure me that license had not yet been given and that our objections would be looked into But there are very strong rumours that the license for construction has already been granted by the Municipal Engineer I hope that such a disposal totally disregarding the protest of large number of inhabitants of the locality would not have been made I request you once more, to kindly consider all our complaints and decide the matter Even if a license has been given the circumstances of the case justify a revocation of the same immediately in public interests.

Apart from the congestion, intrusion into privacy and breach of peace of the domestic life in the neighbourhood, there are two more major reasons against the grant of license for the construction of a talkiehouse in that locality not more than 50 yards, from the premises now sought to be converted into a talkie theatre, is the site fixed by the Municipality to build the Maternity Hospital donated by the public that the surroundings of a Maternity Hospital should be a quite and healthy

P.T O

locality is an obvious principle and the principle will be flouted if a place of public resort like a talkie house with its huge bustle comes into existence by the side of the Maternity Hospital

Further in the premises right opposite to No 1018, the proposed talkie house, a students hostel donated by a philanthrophist is now running and considering the extent and object of the donation the hostel is turning out to be a very big educational institution affording shelter to a large number of students A calm and healthy environment is necessary for the students to prosecute their studies and it is against educational interests to bring in a boisterous and health ruining talkie house right opposite the students hostel.

I pray that all the above circumstances may kindly be considered by you and orders passed for revoking the license even if it is issued I furtner specially request you to kindly acknowledge this letter and favour me with a reply as to the result of prayers This I have to mention because the previous protests lodged in the Municipality by me and about 80 other inhabitants of the locality has not acknowledged and replied

Thanking you,

Yours faithfully,

SV.

SEC. GOVT. MYSORE DEWAN'S
9 JUL 1944

To
The Dewan of Mysore,
BANGALORE

Respected Sir,

We, the undersigned five persons, as representatives of the inhabitants of old Taluk Kutchery Road and Shaukat Mohalla, near and around the premises No 1018 of old Taluk Kutchery Road, beg to submit for the kind consideration of your goodself and for necessary orders

To our annoyance and distress and against our protests, the Municipality has given to one Mr G Venkatappa, owner of premises No 1018, old Taluk Kutchery Road, a license to build a talkie house at the said premises The premises has very narrow space and is situate in the midst of residential houses inhabited by respectable citizens It is against the desire of all of us to have a disturbing, noisy talkie house by the side of our houses Most of the inhabitants of the surrounding are Mohammedans observing Ghosha and they will have to change their residences if their privacy is obtruded by a public place of resort like a talkie house coming in their midst

The premises No 1018 is too narrow, congested and most unsuited for a talkie theatre Its bustle and congestion of air will clash with the peaceful and healthy atmosphere required for the two important public charitable institutions very near the premises One is the contemplated Maternity Hospital whose site is fixed within 30 yards of premises No 1018 and the other is the Students' Hostel right opposite to the premises No 1018, where talkie is sought to be situated The interests of these two public benevolent institutions will suffer by the coming into existence of this talkie house There are also a number of talkies in the near radius It is therefore just and necessary to revoke the license that is granted to build this talkie house which is against all interests

A petition protesting against issue of the license signed by a number of persons of the locality had been sent to the Municipal Commissioner so long back as 19-2-1944 and an information called for by the Municipality was supplied later There has been no further endorsements to the petitioners and even when one of the undersigned called in person he was informed by the Municipal Commissioner that license has not yet been granted And on the very next day it is learnt that the license had been granted by the Engineer of the Municipality Petitions for revoking the license has been made to the Minister of Local Self Government on 29-5-1944, to the Law Secretary and to the Deputy Commissioner, Bangalore District, on the 1st June 1944 No action has yet been taken on these petitions

It is our earnest prayer that your goodself should finally dispose of this matter We are ready to abide by whatever decision your kindself will make after hearing our grievances We also humbly pray that the spot may kindly be seen by your goodself, when its utter unsuitability will be made evident

Lastly we have to pray that pending the final orders of your goodself, an ad interim stay order refraining the licensee to proceed with the work of construction be passed so that any final order in our favour may not be frustrated by his speeding up the construction in the meanwhile

For this act of kindness in public interests we will remain ever grateful to your goodself

We remain,
Respected Sir,
Yours most obediently,

Dear Sir,

With reference to your confidential D O letter No L 12323 dated 12-6-44 re the grant of license for the construction of a Cinema Theatre on No 1018 Old Taluk Kutchery Road,Bangalore City, I write to say that I inspected the spot on the 15th evening in the presence of Mr G Venkatappa, the owner of the site and others who have protested against the construction of a Cinema Theatre at the locality Both parties were fully represented and I heard them I have personally told Mr G Venkatappa and warned him that no Cinema license will be granted and that he should not proceed with the construction of the building for that purpose He did not seem to be much impressed but apparently feels that when the building is over he will be able to get the permission In fact, I asked him why he did not get the permission of the District Magistrate before proceeding with the work but he said that permission of the District Magistrate is only asked for after the building is completed

Under the circumstances, it seems best for the Government to cancel the license In the alternative action will if approved, be taken under the Criminal Procedure Code to prohibit the construction The owner has only dug the foundation for the present

THE MYSORE CITY MUNICIPALITIES (Amendment) BILL

WHEREAS it is expedient further to amend the Mysore City Municipalities Act, 1933,

It is hereby enacted as follows -

1 (1) This Act may be called The Mysore City Municipalities (Amendment) Act, 194

(2) It shall come into force at once.

2 To clause (s) of sub-section (1) of section 51 of the Mysore City Municipalities Act, 1933, (VII of 1933) the following proviso shall be added,- namely,-

"Provided that, in the case of a building intended to be permanently used for an exhibition by means of cinematograph, no license for its erection or use shall be granted without the previous consent of a District Magistrate having jurisdiction In case of disagreement between the Municipal Council and the District Magistrate, the matter shall be referred by the Municipal ~~Council~~ President of the Court to the Government whose decision thereon shall be final "

The Mysore City Municipalities (Amendment) Bill

Statement of Principles

Licenses for the construction of buildings intended for cinemas are, at present, granted by Municipalities, while licenses to run the cinema in such buildings have to be obtained from the District Magistrate having jurisdiction ~~as~~ Considerations of the locality where a cinema should be allowed to run and of the interests of the ~~xxxxxxx~~ inhabitants of such localities which are usually taken into account in granting licenses to run cinemas are often lost sight of in granting permission to build. It has therefore become necessary to amend the City Municipalities Act, so that in the case of a building intended to be permanently used for cinemas, a license for its erection or use is granted only after the previous consent of the District Magistrate is obtained. It is expected that by such a requirement persons who build theatres in the expectation of getting licenses to run a cinema after construction will hereafter not be put to loss or hardship by a subsequent refusal of such license. ~~The present Bill is intended to serve this purpose~~

"(2) Nothing in this section shall be deemed to apply to any sentence or order passed under the Army Act (XXXXIV and XXXXV Vic., C 58), the Indian Army Act, 1911 (VIII of 1911) or the Indian Air Force Act, 1932 (XIV of 1932), for the time being in force

THE MYSORE TOWN MUNICIPALITIES (AMENDMENT) BILL

Statement of Principles

Licenses for the construction of buildings intended for cinemas are, at present, granted by Municipalities, while licenses to run the cinema in such buildings have to be obtained from the District Magistrate having jurisdiction Considerations of the locality where a cinema should be allowed to run and of the interests of the inhabitants of such localities which are usually taken into account in granting licenses to run cinemas are often lost sight of in granting permission to build It has therefore become necessary to amend the Town Municipalities Act, so that in the case of a building intended to be permanently used for cinemas, a license for its erection or use is granted only after the previous consent of the District Magistrate is obtained It is expected that by such a requirement persons who build theatres in the expectation of getting licenses to run a cinema after construction will not hereafter be put to loss or hardship by a subsequent refusal of such licenses

THE MYSORE TOWN MUNICIPALITIES (AMENDMENT) BILL

WHEREAS it is expedient further to amend the Mysore Town Municipalities Act, 1933,

It is hereby enacted as follows —

Short title and commencement

1 (1) This Act may be called the Mysore Town Municipalities (Amendment) Act, 194 ,

(2) It shall come into force at once

Amendment of section 48 Act VIII of 1933

2 To clause (*s*) of sub section (1) of section 48 of the Mysore Town Municipalities Act, 1933 (VIII of 1933), the following proviso shall be added, namely,—

"Provided that, in the case of a building intended to be permanently used for an exhibition by means of cinematograph, no license for its erection or use shall be granted without the previous consent of the District Magistrate having jurisdiction In case of disagreement between the Municipal Council and the District Magistrate, the matter shall be referred by the Municipal President to the Government whose decision thereon shall be final

THE MYSORE MINOR MUNICIPALITIES (AMENDMENT) BILL

S i r,

I beg to move that the Mysore Minor Municipalities (Amendment) Bill be taken into consideration by the Council at once

This Bill is intended to remedy the same defects in the case of Minor Municipalities which are sought to be remedied in the case of City and Town Municipalities by the two Bills which I moved sometime ago The Assembly did not approve of this Bill also But in view of my remarks in respect of the other two Bills which I do not like to repeat, I am sure this Bill will meet with the acceptance of this House

THE MYSORE CITY MUNICIPALITIES (AMENDMENT) BILL

Sir,

I beg to move that the Mysore City Municipalities (Amendment) Bill be taken into consideration by the Council at once

Section 51 of the City Municipalities Act empowers a City Municipal Council to make byelaws in respect of certain matters specified there Clause (s) of sub-section (1) of this section empowers the Municipal Council to frame byelaws for regulating the erection or use of buildings intended to be used as places of public resort or for any other purpose The authority to grant licenses for the construction of buildings intended to be used as cinema theatres thus vests in the Municipal Council

But in the ~~If we now turn to the provisions of the~~ Cinematograph Act, we find that under section 4, the authority having power to grant licenses under the Act is the District Magistrate, before a cinema can be run in a building constructed for that purpose. Therefore, two licenses from 2 different and independent authorities are necessary Should one be granted and the other refused, a building will have been constructed at a high cost for a purpose which cannot be given effect to It is in order to remedy this hardship that the present Bill has been brought forward

This Bill was not approved by a majority of the members of the Assembly when the Bill was placed before that Chamber in September I believe that a statement of the circumstances leading to this Bill and a brief resume of its salient provisions will

enable the hon'ble members of this House to come to a different and more satisfactory conclusion

As I have stated, a license has to be obtained from the Municipality before a person commences to put up a cinema theatre After this license is obtained, he proceeds to construct a building at an enormous cost for running a cinem In view of this purpose the building has to be put up in a particular way, which as hon'ble members know, will make it unsuitable for any other purpose But after the building is constructed, he cannot proceed straightaway to run a cinema For this purpose he has to obtain another license from the District Magistrate Should for any reason this licence be refused, the owner is in a very unenviable plight indeed Having spent lakhs of rupees he finds himself the owner of a building which is intended for a cinema but in which a cinema cannot be run Nor can he by reason of its special construction put it to any other use which is equally paying It is to meet such a case that this Bill is brought up

In the grant of the two licences I have been speaking about, entirely different considerations prevail In the case of a building-licence it may be the plan, the sanitary arrangements and the like In the case of a cinema-licence, not these but questions like the locality, likelihood of convenience or disturbance to the public would be more material So that it cannot be said that in the case of a building-licence, considerations relevant to a cinema licence will have been considered and decided But under this Bill, the Municipality, before grant of a licence for building, will be in a position to know if there

are likely to be any serious objections to the grant of a cinema licence should the building be constructed Any person who is permitted in these circumstances to put up a building will usually if not invariably be able to get a cinema licence also

There is another very material consideration to which I should shortly like to refer Under the Municipal Law at present in force this power of grant of a licence is delegated to the Municipal Commissioner or the Health Officer As the law stands, once this officer grants permission, neither the Municipal Council nor even the Government have power to revoke it Secondly, and what is really more material, when an application for the construction of a building is presented, there is no power at present available to refuse the application In these circumstances hon'ble members will see how very necessary is the present amendment

In the light of these considerations, I hope this House will accord its complete assent to this Bill

THE MYSORE TOWN MUNICIPALITIES (AMENDMENT) BILL

S i r,

I beg to move that the Mysore Town Municipalities (amendment) Bill be taken into consideration by the Council at once

This Bill is on the same lines as the Bill to amend the City Municipalities Act which I moved sometime ago The difficulties experienced in City Municipalities are not peculiar to them They obtain in Town Municipalities also This Bill is intended to remedy them Though this Bill was also not approved by the Assembly in September, still in the light of my remarks on the earlier Bill, I do hope the hon'ble members will accord their support to this measure

Respected Sir,

We, the undersigned representative inhabitants of the Old Faluk Cutchery Road beg to approach you in the matter of our opposing the construction of a Talkie House at No 1018, Old Taluk Kutchery Road

We are ever grateful to your goodself for kindly coming to the spot and inspecting the same when we had previously approached you in the matter Our interests as peaceful dwellers of the locality was safeguarded by your goodself intervening and the bening government passing orders that the construction of a talkie house at the said premises will not be allowed Definite orders of the Government to this effect was announced by the Deputy Commissioner on the spot in the presence of the constructor and others

We were happy and content with this fear of bustling talkiehouse removed but our peace has again been disturbed by seeing that the work of the construction of the building which had ceased then has now been commenced briskly It does not trouble us if merely the building is put But we want to remain peacefully secure that the construction of a talkie house at the said premises in question will not be allowed at any time contrary to the interests of dwellers around the locality As we have had no written assurance in reply to any of our petitions in this matter we fell insecure We can continue to remain peacefully in the locality only if such an assurance confirming the previous orders of the Government is granted to us Praying that our prayer will meet your favour,

Sir,

Subject - Construction of a building on site
No 1018 Old Taluk Cutchery Road,
Bangalore City

With reference to your letter No L 2988 dated 4-10-1944 on the above subject, I have the honour to enclose herein in original report No B1 P R 131/44-45 dated 10-11-1944 from the Sub Division Officer, Bangalore and to state that it will be seen therefrom that the construction is evidently not for residential purposes but for a Cinema Theatre and that the owner intends to convert the building into a weaving factory in case he fails to secure a license for a Cinema Theatre

2 In this connection, I invite your kind reference to my D O letter No B1 C 1070/43-44 dated 19-6-1944 on the subject and solicit the favour of urgent orders in the matter

Sir,

With reference to your memo No Spl Regr 3/44-45 received on 6-10-44 calling for a report on the petition dated 19-8-44 addressed to the Dewan by certain inhabitants of Old Taluk Cutcherry Road regarding the construction of a building on site No.1018 of the same road, I have the honour to state that I inspected the place on 18-10-44 and found that the basement is almost over and construction is progressing, evidently for a Cinema Theatre One Maistry Ayyappa was in charge of the construction and he had no approved plan with him at the time of my inspection It was ascertained that the construction was being done by one Mr Venkatappa of the Sharada Talkies who is having a peace-goods shop in Dewan Surappa's lane, Chikpet, Bangalore city The construction in progress is not intended for residential purposes and it was suggested by the person in charge that the owner intended to convert it into a Weaving Factory in case the running of a Cinema Theatre is not permitted at the place I sent word to the owner, Mr Venkatappa in the shop of the Dewan Surappa's lane to show me the approved plan but he failed to respond. The proposed construction is in the midst of dwelling houses and the roads also are not wide enough in the locality Hence, if approved, the owner may be directed by notice not to proceed with the construction of a Cinema Theatre as it may not be conducive to public safety to allow such a construction in that locality.

The petition received with your memo is resubmitted.

Respected Sir,

We the representative inhabitants of Old Taluk Kutchery Road and Shaukat Mohalla are grateful to your benign self for immediately getting redress to our grievances when we approached you previously on 6th June 1944 Under your kind disposal the construction of a talkie house at No 1018, Old Taluk Kutchery Road was prohibited and the Deputy Commissioner was kind enough to make an announcement on the spot the definite orders of the Government that the construction of the talkie house will not be allowed

We were remaining peacefully with the secure belief that our troubles have ended, when we see to our discomfort again that the construction of the talkie house at the premises is being continued briskly The owner of the premises and his workers are openly declaring that they will construct and run the talkie house at any cost This has caused us great anxiety and we are obliged to approach for your kind intervention once again

We could have no objection to the construction of a big building What we pray is for an assurance that a talkie house at the premises in question will not be allowed at any time contrary to the interests of dwellers around the locality As we have had no written assurance in reply to any of our petitions in this matter we feel insecure We can continue to remain peacefully in the locality only if such an assurance confirming the previous order of government is granted to us

Hoping that our prayer will meet your favour,

a) whether it has come to their notice that one Mr Venkatappa has put up a hall for the purpose of conducting a cinema in the heart of residential quarters and a crowded locality in Nagarthapet abutting the Taluk Katchery Road in the City of Bangalore,

b) whether it is not a fact that ~~the place being ill-suited for conducting cinema~~ the District Magistrate under orders of the Government, had prevented its construction at an earlier stage, if so, the reasons for having withdrawn or relaxed the abovesaid order and allowed the owner thereof to proceed with the construction,

c) whether it is not a fact that the people inhabiting in that locality approached the Government under the leadership of Mr Doddaveerappa, Secretary, the My ore Insurance Co , not to grant a license for the exhibition of films in that locality ~~as it would surely cause great deal of disturbance and annoyance to the people living peacefully in the adjoining houses particularly during nights~~,

d) whether it is not a fact that a Hindu Students' Hostel is also situated in the vicinity of this Hall,

e) whether they would be pleased to issue orders to the concerned District Magistrate not to grant license for the exhibition of films in the abovesaid building?

Question No.24 of SHAFIQ-UL-MULK -
KHAN BAHADUR Mohamed Abbas Khan,
re construction of a Cinema House
in Nagarthapet

With reference to your letter No L 12093 dated 14th June 1945, I have the honour to state that, to the north of the road, and quite opposite the Cinema House under construction, there is a Trust property consisting of a number of tenamental blocks and a central building - situated in a big compound A portion of the tenamental blocks is used as a free Lingayat Hostel. The number of borders is about 15 and the cost of their boarding is met from the rent realized from the central building and the remaining tenamental blocks. It is understood that the Trustees are also deriving income from some cash investments left by the donor.

I have the honour to be,
Sir,
Your most obedient servant,
